

Dear Kitsap Golf & Country Club Golf Course Patrons,

We are thrilled to open the golf course operations to our golf patrons - members, guests and non-members. The health and well-being of our patrons and staff are of the utmost importance to us and we continue to monitor the ever-changing situation surrounding COVID-19 daily.

To protect our patrons and staff, and help slow the spread of Coronavirus, the Board of Directors have identified the following criteria for golf course operations:

**General Safeguards:**

- Staff and patrons must adhere to the 6-foot social distancing rule.
- Group gatherings and congestion of any size and in any area of the golf course, clubhouse, ProShop, tees, greens or parking lot, are strictly prohibited.
- Staff will be cleaning facilities more diligently and with increased frequency, especially on high contact surfaces such as entrance doors & restrooms.
- We encourage all our employees and patrons to wash their hands frequently, avoid touching their face and observe proper hygiene.
- Hand sanitizing stations will be setup at ProShop and Clubhouse Entry Point.
- If you are sick, please stay home.

**Golf Course Play:**

- **Utilize on-line or phone tee time reservations** to pre-pay and limit interactions and restrict payment to credit cards only & or member charge to eliminate handling of cash. **Tee starting times: Monday 11am; Tuesday to Friday 9am; Sat/Sun 8am.**
- A log of all customers, including contact information is required, so tee time reservations and names are required. Please plan ahead to play golf.
- Non-members will be allowed to play golf at discretion of ProShop.
- Foursomes are now allowed
- Tournaments, Shotguns, and gathering events will remain restricted.
- Restrict play to one rider per power cart unless a minor is also playing, or a person is from the same household.
- Ball washers & sand rakes will remain absent from the course.
- Flagstick will remain in at all times. The foam will remain in the Cups so AVOID touching the flagstick.
- Sand and Seed supply will be added to the course without a scoop. Please use caution when filling your own sand/seed bottles.
- Restrooms on the course will be open using the key-code (# obtained from ProShop) and be sanitized before play and midday. Use caution and practice safe handwashing in these areas.
